- TOURMALINE (CR3028A-TN)      UPC - 710244223959
- HAVANA (CR3028A-HA)      UPC - 710244223966

The Charlotte is a full-range Bluetooth speaker that was designed to go wherever music takes you. The minimalistic, intuitive design makes it easy to switch between wireless Bluetooth streaming and the aux in option which allows you to plug in your turntable or other device. Plug in and charge up while you're at the home or office and take it on the go thanks to the built-in lithium-ion batteries. There's even a USB plug so you can charge your phone with while you're jamming out at your next picnic (because we all know that IG stories kill your battery).

Unit: 9.84" (w) x 4.33" (h) x 5.91(d)  
Unit Weight: 2.20 lbs.
