DETAILS

A callback to the age of old Hollywood glamour, the Mercury Turntable's high-end design will stop you in your tracks. Inspired by a vintage humidior, the luxe finishes and textures of the 3-speed turntable propel it light-years beyond your average record player. You can almost hear the ice cubes clinking in a bourbon glass while a Rat Pack member croons in the background! The Mercury boasts built-in full-range stereo speakers, RCA and Bluetooth output, and a headphone jack, giving you multiple options for how you want to listen. Not in a vinyl mood? With the built-in Bluetooth receiver, you can stream your digital music wirelessly. Unleash your inner Hollywood star or starlet and revel in the decadence of the bewitching Mercury Turntable.
