### DETAILS

Check out those curves! The unique design of the T160 Shelf System delivers a turntable with rounded edges, perfectly mimicking the curves of a beautiful slab of vinyl. It comes complete with a full-size aluminum platter, pre-mounted moving magnet cartridge, aluminum tonearm with adjustable counterweight, and a built-in Bluetooth receiver. This easy-to-use turntable features an automatic belt-drive and plays both 33 1/3 and 45 RPM records. Even better, the T160 comes with matching stereo speakers, so it's ready to go right out of the box. This beauty absolutely deserves a round of applause.
